- a) the holder of the greatest number of first places in the Finals;
- b) if the number of first places is the same, the holder of the greatest number of second places in the Finals.
 - Most 1st places in the Finals
 - If still tied, most 2nd places in the Finals
 - Then most 3rd places in the Finals

Continue through the finishing positions until one driver has more.

If they are still tied, the driver with the better finishing position in the Final of the last championship competition wins.
